### Short Description

The bouquet consists of white flowers, white Vedela roses and viburnum.

### Description

If you are looking for the most beautiful bouquet to propose to your beloved, it is the ideal choice, as the white of the peony and the rose symbolize the purity of your intentions, respect and deep true love. At the same time, it is an ideal choice to decorate the bride's home or preparation room on the day of the wedding.

Our florists can replace the flowers depending on availability and season by offering you a suitable alternative similar to style, and the value of the bouquet. The wrapping that accompanies the bouquet is white tulle as required on such occasions.

Due to seasonality, market conditions and availability we may need to substitute flowers, greenery, plants and vases or I gamble.
