Sansivieria in concrete special caspo with carved details.

Description
Sansiveria in a concrete case with carved details.

A suitable choice that will give your space a touch of elegance. An ideal plant that will clean the atmosphere of your space and give it a positive aura.

Indoor plant with minimal maintenance requirements. It needs watering once a month, after the soil has completely dried, while in the warm and summer months every two weeks. Prefers bright spots, but not direct exposure to the sun. It can withstand darker places, however it will grow more slowly.

Product dimensions: height 48cm, width 20*15cm.

Please be advised that we may need to replace plants or caspo depending on seasonality and market availability. Any replacements will be of equal value and as close to the product pictured as possible.
